GAME CONCEPT

7.09 AM is a game where it
represents how people who
suffer from mental
illnesses deal with their
daily lives.

MY GAME MENU

player

CONCEPT ART [THAT WASNT USED D:]

WHY WOULD THIS BE FUN?

- Our game is fast-paced and keeps players engaged with constant challenges and combat
- Players can improve their reaction time and reflexes while playing as the enemies will attack the player constantly
- After surviving from enemies, completing levels and reaching higher scores, this gives players a feeling of accomplishment
- Players also get to understand more of how the lives of people suffering from mental issues are

THANK
YOU
