Our game is based off different malware and cyber attacks, also the game includes different cyber-security aspects in the form of cards that the players use to their advantage.

THE GOAL IS SIMPLE :

SURVIVE LONGER THAN THE OTHER PLAYER

THE GAME IS A PLATFORMER WHERE THE PLAYERS 1V1 IN A FIRST TO THREE, BEST OF FIVE GAME, AT THE END OF EACH ROUND THE LOSING PLAYER WILL SELECT A OBJECT/BLOCK TO HELP THEM SURVIVE AND OUTLAST THE OTHER PLAYER, THE OBJECT/BLOCK WILL BE IN THE FORM OF A CARD.
